# 6. We should always cover our mouth whenever we sneeze or cough

World Health  
Organization

Home care for people with suspected or confirmed COVID-19  
Take care of yourself and your family

## All members of the household

When coughing or sneezing, cover mouth and nose with flexed elbow or use a disposable tissue and discard immediately after use.

A decorative header featuring a dark purple background with a wavy bottom edge. On the right side, there are several overlapping shapes: a large light purple circle, a smaller light purple circle below it, and a vertical pink rectangle at the top right corner.

THANK YOU

***With the pandemic spreading around like wildfire, we all are scared . But if we obey all those safety measures then nothing can stop us from staying healthy.***
